*Note: The Skagit Council of Governments has been allocated three “A”s, three “B”s and three “C”s to assign regional priorities to projects by the Washington State Department of Transportation (WSDOT). Funding decisions on projects will be made by WSDOT following a statewide project evaluation process that incorporates regional priorities with other factors. Application and evaluation materials are available upon request by contacting Mark Hamilton at (360) 416-7876 or markh@scog.net.
